- If you bring children with you to the sale, you are responsible for your own child-care and for keeping them supervised.
- Renters are responsible for pricing and tagging your own items, and arranging them in an attractive and orderly manner. Items **MUST** be clean. This will help you sell your items. You must keep your items in the area assigned to you and not have items protruding out into the walkways where they may cause someone to fall or trip.
- Renters are expected to stay until 2pm, and should not pack up their items to leave before 2pm.
